On behalf of the Cambridge Food Shelf and Clothing Bank of Jeffersonville, I wish to extend our sincere thanks for your generous support of our summer lunch program. This program is meant to care for the children who normally receive free or reduced lunch during the school year, but because they are not in any formal educational setting, may go without quality lunches during the summer break. We try to provide a lunch/day for each child for the entire summer. Your more than generous donation of \$1522 has allowed us to provide this food without worrying about other food support that we provide to neighbors in need. Your thoughtfulness and generosity is humbling. Thank you from the bottom of our hearts.

Thank you again for your support.

Sincerely,

The Cambridge Food Shelf and Clothing Bank Volunteers

*Rhonda, Ruthanne and the rest of the  
volunteers*
