Dear Fellow Lifside Regime Owners,

We would like to update you with the following information:

- A report on the March, 2014 flood, the events which followed, the costs and the current status.(attached)
- An updated Lifside Financial report, 2015 Budget and long range financial project plan.(attached) Absent a call for a special from the majority of homeowners by % of undivided ownership interest on or before April 30, 2015 for the purpose of modification of this 2015 budget, the budget will remain in effect.
- The Hallway Renovation committee has been meeting and is the final stages of preparing a plan. The plan options and costs will be available for review and further attention in July. The options being considered are those that have been offered by interested homeowners since the February 2015 update and call for comment.

We would appreciate any comments and questions you may have. We will also be available to review all these issues at the annual meeting this summer.

The attached reports are also available online at <http://www.snha.net/regimes-a-buildings/lifside>

Sincerely,

Your volunteer LS Directors: Ernie, Michele and Kent
